# ***DEDICATED TO . . .***

## ***PASTOR DOUG WITHERS***

It gives us great pleasure to dedicate the 1985 Covenant to Pastor Doug Withers. Over the past years he has been a tremendous encouragement and inspiration to many lives.

Pastor Withers has been blessed with the spiritual insight and God-given ability of establishing Liberty Baptist Church and Ephrata Christian School. His gift of teaching and preaching has been used to reach all age groups. Likewise, his testimony has been a great example to the students here at Ephrata Christian School.

Under his leadership, many souls have been won to Christ, a number of schools have been established, churches have been affected by his zeal, and many missionaries have been called to the Lord's service.

We appreciate so much his concern and love for us and pray that the Lord will richly bless him in the future.

That I may know him, and the power of his resurrection, and the fellowship of his sufferings, being made conformable unto his death. Philippians 3:10

"I think I can fit you in my schedule, how about yesterday?"

FACULTY

# ADMINISTRATOR

Pastor Withers has a strong conviction of the necessity of Christian Education. He believes that the Christian School is the training ground for our future leaders.

Founding Ephrata Christian School was not Pastor Withers first experience in Christian Schools. He has had fourteen years experience in training young people.

Pastor Withers served as Dean of men for Dade Christian Schools in Hialeah, Florida under Dr. Al Janny. From there he went to the Bible Baptist Church in Elkton, Maryland with Dr. Tom Wallace and served as music and youth director. He was then called as associate Pastor to the Rochester Hills Baptist Church in Rochester, Michigan with Dr. Vernon Nelms. He founded and directed the Rochester Hills Christian Schools which now has 560 students. He also founded and served as the first President of the Michigan Association of Christian Schools and served on the board of the American Association of Christian Schools.

Pastor Withers was then called as assistant Pastor to the Calvary Baptist Church in Ft. Lauderdale, Florida and was active as music director and administrator of the Gold Coast Christian School which had an enrollment of over 1,200 Students.

While Pastor Withers was busy starting Liberty Baptist Church he also began Mount Calvary Christian School in Elizabethtown, Pa. which now has over 350 students.

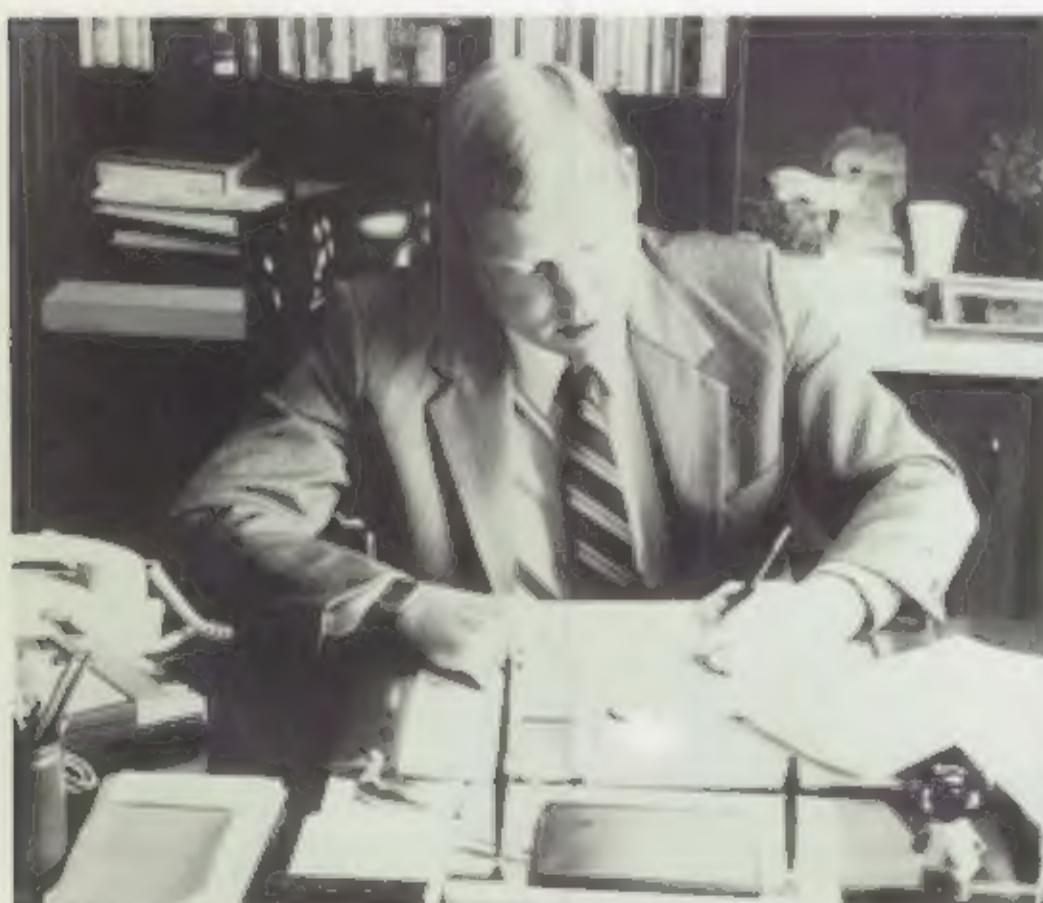

Pastor Withers founded the Ephrata Christian School in September, 1977.

# PRINCIPAL

Mr. Robert Coldren

"Wherewithal shall a young man cleanse his way? by taking heed thereto according to thy word." Psalms 119:9

Students, regardless of what school they attend, have visions of a promising future. The goal of Ephrata Christian School is to teach our students, that without accepting Christ as their personal Savior, all this world's wisdom becomes void. Ecc. 2:16. With the assurance of our eternity in Heaven settled, all else takes on a new exciting perspective. Our goals then change from self to servant.

As servants, our goal is to serve the Almighty God (Jesus) and one day experience all the fullness of His love. Matt. 25:21. Our second goal is to serve our families. II Cor. 12:14. Third, we want to serve those in authority over us. I Tim. 6:1.

Our rewards are not earthly, but heavenly; and our goals need to be set accordingly. The wisest and wealthiest man ever, Solomon, asked the very important question, "and what profit hath he that hath labored for the wind?" Of course the answer is none. The profit is in standing before the King of Kings and hearing, "Well done, good and faithful servant."

As your principal, I've failed totally unless those things stated above are true in your lives.

A black and white photograph of a group of senior students standing outdoors. In the foreground, a woman in a light-colored dress stands on the left, looking towards the right. Next to her is a man in a dark suit. Behind them, several other students are visible, some sitting on a bench and others standing. They are positioned in front of a large, multi-story building with multiple windows and a prominent entrance. The scene is set against a backdrop of trees and foliage.

## WONDERING

Good for you! Questioning is a healthy exercise  
The alive person asks, wonders... Curiosity keeps him learning. Doubt strips away the false and sharpens his certainties.

The big question, of course, is why. Why am I?

Go ahead. Look for answers. To gain knowledge, become wealthy, be famous, enjoy power.

You'll find they're all too small singly or together.

Certainly knowledge is good, but the pursuit of knowledge for its own sake becomes an endless, empty chase. And money has values-as a servant. As a god it becomes a merciless tyrant. Fame-for the right reasons, and power-used in the right way, both can be valid but not as final answers.

Beyond these answers lies the big one.

God created man in His image-to be like Him. Any answer that stops short of this misses the point of life.

Purpose in life is found through relationship with God-finding a place in His family, through His Son. Then showing others what God is like so they too can become a part of His family.

Michelle Marie Coldren

One thing have I desired of the Lord, that will I seek after, that I may dwell in the house of the Lord all the days of my life to behold the beauty of the Lord and to enquire in his temple.

Psalms 27:4

## JESUS IS ALL THE WORLD TO ME

Jesus is all the world to me  
My life, my joy, my all

When I am sad to Him I go,  
No other one can cheer me so,

My Friend in trials sore,

And He gives them o'er and o'er

He sends the harvest's golden grain,  
Sunshine and rain, harvest of grain

He's my Friend

Jesus is all the world to me,  
And true to Him I'll be,  
O how could I this Friend deny,  
When He's so true to me?  
Following Him I know I'm right,  
He watches o'er me day and night,  
Following Him by day and night

A photograph of a dark, cloudy sky at dusk or dawn. A faint rainbow arches across the upper portion of the frame. In the lower half, the silhouettes of several tall evergreen trees are visible against the lighter sky.
